ADA CERP® | Continuing Education
Recertification Program

CERP stands for Continuing Education Recertification Program. It is a voluntary program for dentists to earn continuing education credits. The program is designed to help dentists stay current in their field and improve their skills. The program is open to all dentists who are members of the American Dental Association. The program is administered by the American Dental Association Council on Continuing Education. The program is a requirement for dentists who wish to recertify their licenses. The program is a valuable resource for dentists who want to stay current in their field and improve their skills.
