Ref. No. NBEMS/EDO/2023/4016

Dated: 07.11.2023

Subject: NBEMS CPR Awareness Programme on 6<sup>th</sup> December, 2023-reg.

Dear Dr. Majumdar,

National Board of Examinations in Medical Sciences (NBEMS) is an Autonomous Body of Ministry of Health & Family Welfare, Government of India and is entrusted with the task of conducting examinations in the field of modern medicine on Pan India basis including NEET-PG, NEET-SS and NEET-MDS. NBEMS has also accredited more than 1300 hospitals with more than 14000 PG seats in various Broad and Super Specialty Courses.

As you are aware, cardiopulmonary resuscitation (CPR) is a life-saving technique that can be performed by anyone who has received proper training. CPR can restore blood flow and oxygen to the brain and other vital organs of a person who has suffered a cardiac arrest. Immediate CPR can significantly improve the chances of survival after suffering from cardiac arrest. Trained personnel can act quickly and confidently in an emergency situation, and potentially save a life.

As a commitment towards the society, NBEMS shall be organizing CPR Awareness Program on 6<sup>th</sup> December, 2023 at 09:30 A.M across the country to spread awareness and impart training to thousands of youths and non-medical personnel to administer CPR in a proper manner. The programme will comprise of a short video explaining the participants about the benefits of CPR and methodology to administer it. A doctor will be deputed at each venue to answer the queries of the participants. *Digital Certificate of participation shall be issued to all participants by NBEMS.*

I request active involvement of DCI in NBEMS CPR Awareness Programme so that maximum public is benefited. I request your good office to:

- Inform all dental colleges to participate in the NBEMS CPR Awareness Programme and to provide us the list of participating colleges. All non-medical staff may be asked to participate in the programme. The colleges may use their auditorium/lecture hall for display of the CPR video with good audio support. The web-page to access the video and further details shall be shared by NBEMS in due course.

*CPR*

- The list of participating dental colleges may be informed to NBEMS at email id: [nbefaculty@natboard.edu.in](mailto:nbefaculty@natboard.edu.in) along with the contact details of nodal person who will coordinate with NBEMS. Please use the google form link ( \_\_\_\_\_ ) to be filled by the dental colleges to provide the contact details of the nodal person. Also provide a list of at least 2-3 doctors from each dental college who will volunteer their services for this programme at other venues of the CPR Awareness Programme in the same city.
- At least 3-4 photographs of organising the CPR Awareness programme by the dental college has to be uploaded on a link which will be provided in due course by NBEMS.

I am hopeful that the vast network of DCI colleges will give an opportunity to thousands of youths to be trained in CPR.

With warm regards,

Yours sincerely,
