**INSTITUTIONAL STRATEGIC PLAN 2023-24**

Areas of Operation	Strategic Plan
1. Education	<ol style="list-style-type: none"><li>1. Continue to integrate students and alumni feedback on a continuing basis for &amp; with the developments in curriculum.</li><li>2. Provide mentoring support to all faculty members especially those at the junior level.</li><li>3. Provide support in the form of human resources, technology and exposure to different sources for development of student centric learning courses.</li><li>4. Provide for development of faculty in curriculum design.</li><li>5. Provide mentoring and counseling services to students to ensure that there is no learner failure.</li><li>6. Co-design programs and modules with organizational partnership that will enhance clinical skills of students.</li><li>7. Continue to follow a system of continuous evaluation and feedback to the student to create a community of skilled and ethical practitioner.</li><li>8. Create enough facilities and support infrastructure to ensure that there are no learner failures. Hence, the success of the teacher of the programme will be determined by the strength of its weakest link that what action has been taken to convert the weakest of the weak performer of the class into a higher performer. This obviously implies an investment in competency building of our students through tutorial and small group activities, and special attention to such students on one on one basis.</li><li>9. Formulation and Implementation of "Saravaatun Samruddhi Abhiyaan"</li></ol>
