SUBJECT- Regarding submission of student feedback for curriculum and course content for further action.

Respected Sir,

As usual, we have collected students feedback forms for year 2021-2022 and analysed. 35% students reported curriculum and course content is adequate.

This may please be considered as input in curriculum reconstruction in future.

This is for your kind information and necessary action.

Thanking you.

ACTION TAKEN REPORT BASED ON CURRICULUM FEEDBACK ANALYSIS 2021-2022

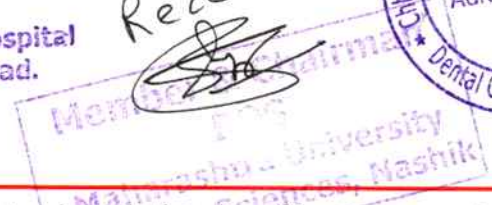

| SR. NO. | SOURCE OF FEEDBACK | FEEDBACK | ACTION TAKEN |
|---------|-------------------------------------|--|---|
| 1. | Students feedback on curriculum | There was a 32% inadequacy of innovative methods of teaching | All HODs are instructed for improvement in teaching methods such as seminars, E videos, E learning and group discussions. |
| | | 35% adequate response was noted for the curriculum and course content | As the curriculum is decided by the DCI and MUHS, the feedback analysis report was conveyed to BOS, MUHS for necessary action. |
| 2. | Faculty feedback on curriculum | 54.9% faculty suggested that the design of curriculum is adequate to cover all the relevant topics for the assigned subject | As the curriculum is decided by the DCI and MUHS, for the benefit of the students, teachers are instructed to give more demonstrations, hands On courses and practical oriented teaching. |
| 3. | Employers feedback on curriculum | Positive response received. To get registered with IIC (Institution of innovation council) to evaluate the innovative ideas among the faculty members and students | Suggestion is accepted and is under consideration |
| 4. | Alumni feedback on curriculum | There was strong suggestion to arrange more CDE programmes to update knowledge of students | Departments are instructed to arrange at least 2 CDE programmes per year. |
| 5. | Professional feedback on curriculum | Positive response was found on curriculum, biomedical waste management and occupational safety and hazards. | Advised to continue the same with an aim to excel. |
