**Who are we?**

In the world acting soo perfect,  
Trying to figure out everyone's  
defect.

We lost the real us,  
Behind the filters,concealers and all  
those small attempts to hide that  
one small pimple.

Do we really like Hollywood  
music,or deep down in the surge to  
look cool,we suppress our 'desi'  
playlist.

Do we workout daily to be healthy  
and feel good,or to show this  
imperfect world how perfect we  
could be?

Who are we? Are we those perfect  
happy pictures we post,or that  
awkward little duckling who feels  
'yaar daat dikha kar hasne par m  
achhi nahi lagti'.

I feel everyone should like cats,but  
everyone shouldn't be 'copy cats'!  
Everyone is different and no one is  
you.

Who are we? We are all different  
kind of gems with our imperfections  
in this imperfect little world.

**Priority**

What happens,when you make  
someone your priority,when you  
are just an option to them?  
I know its not something you do  
on intension,it just simply  
happens.

In every moment you realise  
how easily someone can go for  
days without talking to you and  
just pop up back in your life  
whenever they want!

And the worst part is, when  
these people know that they are  
your priority.

But there is silver lining in this  
cloud to,and that is TIME!  
Because when time pases by,you  
will notice that the same person  
who was on the top of your list,  
eventually goes down.

And this happens in the time  
when your priority is treating  
you like an option.

In this only time you realise,you  
actually can live without the  
person whom you prioritized.  
Because you should prioritise  
the priorities who prioritizes you  
because they never changes  
with TIME.

संघर्षकाल

संघर्षकाली जी भावना अस्तित्व ना ही बाकी कुठलप्यारी केवल  
नसते ...

सोक असावी जगाची करम संवसुन घरी जात  
असतात. कधी कधीकेल, कधी कधीगमले तर काही  
काहीही होऊन रावता असतात...

पक्षिमेवा सूर्य जाकडडारा विविध वस्तू टिकून जातो. जगात  
जगत आपले स्वप्यारी केवळ जातो!  
एक बीजतारा होत असते. टिकत राहण्या उपायतया हात  
करते...

भासण्यातून पुलापा दरवाक असतो ...  
तेजय ह्या पोरी असतात. पण संघर्षातारा संघर्षात  
असतात. कधी नारंगी छटा असते तर कधी पोरीची  
छटाही ...

पण संघर्षातारा दुर्दैवातून ह्या  
पण सुरुवात विवाहभारण्या जेवक भासण्याची भरलेल  
असते ... ही संघर्षकाल तर अनुभवकी तर तेही कुठेचारी हात  
होते

ह्यात एक हुदरु पण असते. काहीतरी सागरय हाची!  
सूर्य नाकडतो, रात्र होते. संघर्षातारा ... संघर्षातारा दिने  
सागरात आणि टिकत केवळा महारात जातो. ही पण एक  
केवळी अनुभवी असते. पण जी भावना संघर्षकाली असते  
ही मात्र नसते!
