CSMSS Dental College & Hospital
Kanchanwadi, Aurangabad.

Syllabus Description

E-Learning with respect to its need, trends, benefits and challenges- Need, trends, benefits and challenges of E-learning nowadays.

Documentation & Formatting of Text content- The textual description should also be enriched with multimedia supplements, wherever applicable / possible. Multimedia supplements may include images, animations, graphics, URLs wherever required, video or audio clips, line drawings, hand drawings. The text may be divided into sections, subsections and, where necessary, sub-subsections. Use of various Fonts, Formatting Sections, Subsections and Sub-subsections, Style, Spacing and Numbering.

Presentation using PowerPoint - The format for presentation will be PPT (PowerPoint Presentation program). Use of bulleted points, various fonts, font size and inclusion of images appropriately.

E- content using Audio/Video- Digital media for creating audio and implementation strategies to enhance the overall experience for end-users. Content delivery through Video to explain the topic is an essential component (self-learning) of each module of the e-Content, Use of Multimedia Contents for E- content development.

Web Resources / Supplementary Materials - supplementary material of respective modules in different forms Books, articles, research papers, journals, case studies etc., Links to web sites giving additional readings, Wikipedia, blogs, open source content etc.

Online Video Creation & use in learning –Youtube, NPTEL etc.

Mini Project ou E- content development – A small project based on above syllabus.
