D.O. No.PA/42/2022-CPMU

Dear Sujataji

POSHAN Abhiyaan endeavors to improve nutritional outcomes in a holistic manner. Behavioural change at individual and community level is an important component to achieve the desired goals of the Abhiyaan. In pursuance of this objective, Poshan Pakhwada is celebrated in convergence with all partner Ministries during the month of March since the initiation of POSHAN Abhiyaan in March 2018.

2. For the celebration of 4th Poshan Pakhwada from 21st March to 4th April, 2022, it has been decided to emphasize upon two broader areas viz. (i) identification & celebration of Healthy Child and (ii) activities concentrated on integration of modern and traditional practices for healthy India. The Brief note and Activity calendar is enclosed.

3. In this regard, the Ministry is pleased to inform that, for celebrating the "Healthy Child" in the age group of 0-6 years, "Swastha Balak Balika Spardha" (SBBS) will be organized across the country from 21st to 27th March 2022. SBBS emphasizes upon measuring height and weight of all 13.75 crore children (approximately) in the target age group.

4. Whereas, the second week of Poshan Pakhwada is aimed at organizing activities around awareness of Gender Sensitive Water Management, prevention and management of Anaemia, and promotion of traditional food for healthy mother and child especially in Tribal Areas.

5. We seek your support in mobilizing the resources under your kind Ministries/Departments for organizing these activities enthusiastically to ensure larger community participation in Poshan Pakhwada 2022. Hope your sincere efforts will contribute towards Hon'ble Prime Minister's vision of *Suposhit Bharat*.
