1 .SOFT SKILL DEVELOPMENT

Some of the most important professional skills for students alike simply can't be taught in a classroom or measured on paper. These traits are called soft skills and they are more crucial to our job search and overall career than we think.

Unlike hard skills, which can be proven and measured , soft skills are intangible and difficult to quantify . some examples of soft skills include analytical thinking , verbal and written communication , and leadership .

One reason soft skills are so revered is that they help facilitate human connection . "soft skills are key to building relationship , gaining visibility , and creating more opportunities for advancement .

Soft skills for student's

1. Communication
2. Teamwork
3. Adaptability
4. Problem solving
5. Critical observation
6. Leadership

So,we conduct waxing carving of denture competition for our students.

KANCHANWADI, PAITHAN ROAD, AURANGABAD - 431 011, (M.S.)

(Recognized by Dental Council of India Under Maharashtra University of Health Science, Nashik)

2. Language and communication skill development

Communication is such a broad ,multilayered word.To understand how to better your skills at communicating,it's probably best to establish that good communication is made up of many things including :

- Active listening
- Appropriate posture and body language
- Friendly /appropriate tone
- Eye contact
- Speaking clearly and concisely
- Demeanor of confidence and friendliness
- Empathy and respect
- Knowing which medium of communication to use for which situation .

Communicating effectively is , undoubtedly a skill that must be practiced , reinforced and learned

For better communication skill we conduct National essay competition and group discussion.

3. Yoga and Wellness

We regularly carry out Yoga classes and celebrate International Yoga Day on 21 june every year .

4. Analytical skill development

Analytical skills describe our ability to understand and solve problems using the information we have available. These skills are extremely important for our professional ,social and intellectual lives. As a result, many people have good reason to want to improve their analytical skills. But while improving our

KANCHANWADI, PAITHAN ROAD, AURANGABAD - 431 011. (M.S.)

(Recognized by Dental Council of India Under Maharashtra University of Health Science, Nashik)

analytical skills is not easy, there are a number of things we can do to both actively and passively improve our analytical skills . At the same time , we want to test ourself and challenge ourself constantly to keep up and sharpen our skills .

For better analytical skills we have design PG orientation , UG orientation ,research methodology workshop and various workshops.

5. Human values development

When most persons talk about a school curriculum , they think about math, science, social studies , and language courses . seldom do I hear or read about moral values in schools is hurting our students and causing problems in society . If a person has never learned any moral values , how is she or he able to discern the difference between right and wrong ?That is basically the essence of moral values education.

Apart from school curriculum, we conduct many organ donation day,blood donation day,womens day.

6. Personality and professional development

We conduct personality development programs ,interdisciplinary PG activities,Prosthodontics day activities.

7. Employability skill Development

Internship orientation program is conducted yearly to develop employability skill of students .

DEPARTMENT OF ORAL PATHOLOGY & MICROBIOLOGY
C.S.M.S.S. DENTAL COLLEGE & HOSPITAL, AURANGABAD
NATIONAL ORAL PATHOLOGY DAY – 2022

Department of Oral Pathology, CSMSS Dental College and Hospital, Aurangabad celebrated '3rd National Oral Pathologist Day' on 25th February 2022. The day was celebrated in memory of Dr. H. M. Dholakia, the Father of Oral Pathology in India.

Kanchanwadi-located CSMSS Dental College and Hospital organized Elocution, Slogan, Poster making and model carving competition for students. Director Dr. Subhash Bhojar inaugurated the exhibition, while Acting Dean Dr. Lata Kale and academic in-charge Dr. Sanjay Sarode presented prize to the winners of various competitions.

Head of the Department Dr. Jyoti Khedgikar highlighted the importance of oral pathology in diagnosis of dental and oral problems. Dr. Vrunda Kanjalkar, Dr. Sanket Deshingkar, Dr. Amar Kingaonkar and all faculty members graced the programme organized under the guidance of Hon. Shri. Padmakarji Mulay, Shri. Ranjeetji Mulay and Administrative Officer Dr. Shrikant Deshmukh. Dr. Revati Deshmukh conducted the proceedings.

Subject : Request for MUHS approval for conducting "Research Methodology Workshop" in C.S.M.S.S. Dental College and Hospital, Aurangabad.

Respected Sir/Madam,

We take great pleasure to inform you about conducting Research Methodology Workshop (RMW) as per the guidelines given by DMET, Nashik. We are planning to conduct this workshop in our institute from 20th to 22nd Jan, 2022 from 9.00am to 5.00pm and will be attended by 30 participants and assure you that it will be very educative for the participants so as to boost their knowledge to carry out research in future.

This is to request you to kindly accord permission and approval for conducting the same as per the details mentioned above.

Thanking you!

Your's faithfully,

Dean
C.S.M.S.S. Dental College
Kanchanwadi, Aurangabad.

DIRECTOR
CSMS Dental College & Hospital
Kanchanwadi, Aurangabad.

**A SURVEY ON THE AWARENESS OF INTERRELATIONSHIP
OF PERIODONTAL DISEASE & DIABETES**

On Occasion of "world diabetes day " on 4 December 2021 Colgate has provided glucometer and strips to conduct a survey in correlation between risk of periodontal disease & diabetes in Department of Periodontology C.S.M.S.S Dental college & hospital,Aurangabad.

In this survey,100 samples were taken,and was found to be more beneficial as 2 patients were diagnosed with unknown diabetes and periodontal diseases and were send to the physician.

Demo was given on the oral prophylactic measures to all the patients.

This survey was conducted by 1st year postgraduate student Dr.Pratiksha Surana under the guidance of professor and HOD of periodontology Dr.Maya Mhaske mam and all the departmental staff.

And was supported by director Dr.S.C.Bhoyar sir , Dean Dr.lata kale mam and all the departmental staffs.

For this programme ,All Interns,PG'S and staff were present.

Inter-departmental Pg activity

Date of presentation: 18/06/2022

Name of presenter: Dr. Shubham Subudhi

Department of presenter: Department of oral surgery

Name of Co-presenter: Dr. Rajni K. Mishra

Department of Co-presenter: Department of Orthodontics

Abstract:

- 15 years old female pt referred to department of orthodontics. During diagnosis & treatment planning an unerupted impacted canine in mandible.
- Due to skeletal classification it was in need of surgery. Multiple factors at the time of maxillary made it difficult to align the arch as regular treatment. Hence, referral to department of oral surgery for disimpaction.
- 15 year old female pt referred to orthodontics for extraction of impacted canine.
- After CBCT report it was seen that canine was impacted horizontally in symphysis region.
- Disimpaction of canine was done with all standard measures.
- PRF placement was done for better and faster healing. Post operative instruction given to patient.
