

Decentralisation

Institution delegates authority and provides operational autonomy to all the various functionaries to work in line with decentralised governance system.

Governing body level

The Governing Body delegates all the academic and operational decisions based on policies made by discussion and regular meetings in order to fulfil the vision and mission of the institute. College council formulates common working procedures and entrusts its implementation to the faculty members.

Faculty Level

Faculty members are given representation in various committees and allowed to conduct various programs to showcase their abilities. They are encouraged to develop leadership skills by being in charge of various academic, co-curricular and extracurricular activities.

Student Level

Students are empowered to play an active role as a committee member of various committee and College activities.

Participative Management

The institute promotes a culture of participative management by involving staff and students in various activities. All decisions of the institution are governed by management by collecting facts, feedbacks and objectives.

Both students and faculties are allowed expressing themselves of any suggestions to improve the excellence in any aspect of the Institution.

Strategic Level

The Director, Dean and staff members are involved in defining the policies, framing guidelines and rules/regulations pertaining to discipline, grievance, counselling, training & development and library services etc., and implements the same to ensure smooth and systematic functioning of the institution.

For the various programs to be conducted by the institute staff members actively discuss, share their opinion and plan for the event. Staff members are also involved in deciding academic activities and examinations to be conducted in institution.

Functional Level

At functional level the faculty members participate in sharing the knowledge by discussing on latest available information keeping in mind development of skills and knowledge.

Operational level

The Dean of the institution is a member of the College development committee. This Body gives suggestions and monitors the procurement, introduction of new programs and welfare activities. It also looks into academic, non-academic and administrative activities of the institution. Financial assistance is given to staff members and students to participate in various programs. All the staff members actively participate in implementing the formed policies and framework designed by the management in order to maintain and achieve the global standards.
